

Budget Office User Access Request Form

Use: To request access to any system located in the Intra-Campus Information System section of the Budget Office web page.

Instructions: Complete the form using the following instructions:

Box 1: Access requested

Select the kind of access:

New Access – New access for users who currently don't have access.

Change Access – For users who already have access and need to change their access rights. (E.g. moving from one department to another but need access to different units/accounts)

Remove Access – For users who have left a department or the University and no longer need access.

Name – Enter the first name and last name of the user requesting access.

E-mail Address – Enter the e-mail address of the user requesting access.

Campus Department – Enter the campus department of the user requesting access.

Telephone Number – Enter the telephone number of the user requesting access.

Box 2: System access

First, select the system(s) for which the user needs access: Multiple systems may be chosen.

PLABIS – Requests access to the Planning and Budget Information System (PLABIS). PLABIS is used to review current account information. (Access may be given using any of the access types below)

State Budget (Reappraisal/Original) – Requests access to the State Reappraisal and Original State Budget Systems. (Access to this system is only given to the Vice Chancellor areas and the Dean/Director areas under the Provost)

Non-State Budget (Reappraisal/Original) – Requests access to the Non-State Reappraisal and Original Non-State Budget Systems. (Users cannot use the Budget Purpose access type below for this system)

Next, select the type of access: Only one selection may be chosen per user. Please decide which type of access is best suited for the user's needs.

All Units within the Vice Chancellor or Dean/Director – Select this option for users who need access to every Budget Purpose within the Vice Chancellor, Dean or Director Area. This option requires Vice Chancellor approval.

Area – Enter the Vice Chancellor, Dean or Director Area name
